

July 17, 2010 meeting minutes
First meeting under a new name

Before the meeting started, GWRRA ADD, Pat & Henry DeKock asked if they could say a few words. They stated the OCP classes had been extended through Oct. for anyone that might be interested in taking over a GWRRA chapter in northwest Indiana.

The first thing we decided on was club leadership. It was a unanimous vote that the following would be our leaders: (formal titles TBD)

Jeff & Penny Mayer, group leader

Andy & Tina Stott, assistants

Milly Szczesniak, secretary

Ashlin Hadden, said she would be treasurer if Bill Stewart didn't want the job.

Other positions will be determined as needed.

Next order of business was voting on a name. Decided on "Illiana Wing Nuts". Club color is heather grey.

Membership dues of \$2.50 per person shall be collected at the August meeting which will cover you for the rest of 2010. Beginning in January 2011, the dues will be \$5 per person for the year. Dues will cover web page and miscellaneous expenses.

Jeff Mayer asked for volunteers for a committee to form our club guidelines. This will consist of officers, Fred Hodal & Bob Hall.

Four Day Ride: The ladies decorated Bob Hall's bike with balloons for his birthday. The Air Force museum was great as was the surprise event-Duck Tape Parade & Carnival. Thanks again to Fred & Barb for putting together yet another great ride for the club!

Upcoming Events:

Drive in movie night on August 7th. We will leave from the local 150 parking lot at 5:30 PM. Admission to the movie is \$8 per person. Bring folding chairs, blankets, and a portable radio for the movie. Dinner before the movie will be at Kelsey's in Valpo on US30

For the remainder of upcoming events, go to the "events" page.

Penny Mayer mentioned there was one bedroom left in the Georgia cabin for next year. It's on a first come first served basis. Jim & Pat Gilbert turned in a deposit so the cabin is full. Should anyone else want to go, we will need to book a second cabin.

Jeff & Penny attended the RFK in South Bend as well as Harold Stacy and John & Laura Kettwig. A donation from former GWRRA chapter IN-P2 was given. The fundraiser took in aprox. \$71K for pediatric brain tumor research.

Ronald McDonald Ride will take place Sunday August 22. We asked for two other trailers to help carry the supplies we purchased with 1/3 of the money leftover from former IN-P2. Fred Hodal & Bob Hall volunteered their trailers. More details will follow at the next meeting.
